“AIFPA NATIONAL LEVEL ESSAY WRITING COMPETITION 2018”

All India Food Processors' Association (AIFPA) was established in the year 1943 by visionary pioneers who perceived the urgent need for scientific management of India's vast agri-resources through development and promotion of a robust **Food Processing Industry (FPI)** and to make wholesome food at an affordable cost for everyone in the country. This great vision paved the way for the development of a technology oriented **Agro-Food Sector**.

From a humble beginning, the **Indian Food Processing Sector** today is poised to be worth INR 19.50 lakh crore by 2020. It is ranked fifth in terms of production and offers the potential to make India the '**Food Basket of the World**'. **AIFPA** initiated this journey as the leading body in the sector and has exclusively dedicated to the growth of food processing in the country for the last 75 years and will continue to be the torch bearer for reaching greater heights in times to come.
